Safety

- Familiarize yourself with all controls before moving the vehicle.
- Read all warning decals posted on the vehicle. **No smoking** in this vehicle (inside the box or cab).
- Comply with all state and federal regulations, including the use of seatbelts.
- No more than two occupants in this vehicle.
- Be especially aware of the width and height of this vehicle. You can cause severe damage by underestimating clearances. (Clearance level on this vehicle is 10' 6").
- Use the tie down slats to secure your load. Severe damage could occur to the vehicle or your possessions if not tied down properly.
- Do not overload vehicle as steering and braking characteristics change.
- Always use the emergency brake properly.
- Be careful when turning. This is a larger vehicle than most people normally drive. You need more clearance when turning and to be aware that this truck could flip over if turns are taken too fast.
- Always lock the rollup door, and make sure ramp is latched in place (see manager for demonstration).
- Respect this vehicle. Drive cautiously and courteously. Remember, you are responsible.
